

2012

Synchrotron Radiation User Meeting

Wed 5th - Thurs 6th
September 2012
Diamond Light Source, UK

We are pleased to announce that the next Synchrotron User Meeting will take place on the 5th - 6th September 2012, with a student welcome and workshop on the 4th September.

Workshops

- Energy and storage materials
- 3rd MX User Workshop
- Functional Materials
- Cell microbiology: from cancer research to stem cells
- Engineering

Key note speaker

The meeting will feature a key note speech by Professor Sir David King, Director of the Smith School of Enterprise and Environment at the University of Oxford and former UK Government's Chief Scientific Adviser and Head of the Government Office of Science.

Student day - 4th September

We will be running an event for students and early stage researchers on the 4th September. The event is aimed as an introduction to the users meeting, and will give students the chance to meet Diamond science staff and other researchers at a similar stage.

See diamond.ac.uk for more information and to register.
