

2023 Joint Diamond-ISIS Three Party financial contributions

Diamond will provided to the Research Organisation partner £21,562 for a 3-year project, £25,297.75 for a 3.5-year project, and £29,033.50 for a 4-year project.

ISIS will provided to the Research Organisation partner £19,312 for a 3-year project, £22,672.75 for a 3.5-year project, and £26,033.50 for a 4-year project. **Contributions for travel and consumables will also be available for research training expenses including the cost of travelling to and from the Rutherford Laboratory. These funds are to be claimed against actual receipted expenditure provided by the student and will not be paid directly to the Research Organisation.**

The university must commit to fund the 50% contribution for Stipend, Travel & accommodation, and Conference - and to cover the balance of the fees.

Note that not matching the funding model below will render your project ineligible. Please contact Student Engagement for a pre-submission discussion if needed.

If you propose any differences to the commitments described below, please detail it, and the reasons, in your proposal.
