

Future of Fragments Symposium

28th–29th November 2016 · Diamond Light Source · UK

Sponsorship and Exhibitor Packages

The Future of Fragments symposium aims to highlight the opportunities that must be explored if routine fragment screening is to turn into routine lead discovery. This event will bring together speakers and delegates from diverse disciplines to help define the methodology, focus and goals for fragment screening in the coming years.

Exhibitor Package - £600

- Exhibition Stand in the main atrium area (where all coffee breaks and lunchtime catering will be provided - approx. 2m x 1m; to include table, 2 chairs and access to power)
- One piece of branded literature in delegate pack (up to A4 size, max 4 pages)
- Brand/Logo displayed in the delegate booklet and on the Symposium web site.
- One full symposium ticket (including 1 dinner ticket)

Symposium Dinner Sponsor - £500

- Exclusive sponsorship of the Symposium dinner
- The opportunity to have a pop-up stand at the welcome reception drinks
- Brand/Logo displayed in the delegate booklet and on the Symposium web site
- Two dinner tickets

Literature Package - £350

- One piece of branded literature in delegate pack (up to A4 size, max 4 pages)
- One piece of merchandising (e.g. a pen) included in each delegate pack
- Brand/Logo displayed in the delegate booklet and on the Symposium web site

To book any of the above opportunities or discuss a customised option to better fit your marketing strategy, specific objectives or budget, please contact our Event and Development Manager, Emma Clarke on 01235 778384 or events@diamond.ac.uk
